Pool Rules of PSS Parties

Potomac Swim School Pool Safety Rules:

- **Parents of children who cannot swim the width of our pool (~18 feet) unassisted must have a parent in the water with them at all times. Parents must have a swimsuit on hand if the lifeguard or host determines a child cannot be alone in the water.**
- **All individuals in the water must have a completed waiver which can be downloaded from our website or completed at Potomac Swim School.**
- **Only Coast Guard Approved swim aids allowed (children wearing swim aids who are non-swimmers must still have a parent in the water). Water Wings and any suits with flotation devices built in them are not Coast Guard Approved, thus not permitted.**
- **No peanut products, glass containers or bottles are permitted in the facility.**
